Parts Identification Diagram

- A. Water Outlet
- B. Unfiltered Water Chamber
- C. Filtered Water Reservoir
- D. Filter
- E. Lid
- F. Filter replacement indicator
- G. Water Inlet

INSTRUCTIONS

Wash the lid, jug body and unfiltered water chamber in warm soapy water.

Remove filter cartridge from packaging and immerse it in ambient water for 5-10 minutes.

Insert cartridge into the unfiltered water chamber. Press down firmly to ensure a tight seal.

Fill the unfiltered water chamber up with cold tap water via the water inlet.

Allow water to filter through to the filtered water reservoir. Once filtered through discard of the water or use to water a plant. Repeat this process again. This will prime your filter for use.

IMPORTANT: Do not filter hot or boiling water through your filter jug

CARTRIDGE REPLACEMENT

To ensure performance is not diminished the filter cartridge should be replaced every 3 months or after filtering approximately 600 Litres of water, whichever occurs first.

Cartridge life depends on the quality of local water.

If you have trouble removing the filter cartridge, remove the unfiltered water chamber from the jug. Push upwards from the base with your fingers. The filter should move upwards enabling it to be removed easily.

Cartridge replacement product code: AQP-FCR-C2

FILTER REPLACEMENT INDICATOR

The filter replacement indicator on the lid will remind you when to change the filter. After the filter cartridge is installed set the indicator dial to 3 months ahead. For example if it is January (month 1) then set the dial to month 3-March.

MAINTENANCE

Hand wash the parts of your filtered water jug regularly in warm soapy water, at least every time you change the filter cartridge. Make sure to remove the filter while cleaning. Rinse and dry parts completely.

Do not use solvents or corrosive chemicals to clean. Never use abrasive pads on this product.

Keep water filter out of direct sunlight and away from heat sources.

Your Aquaport Australian 12 Month Repair or Replacement Warranty

Aquaport warrants this appliance to the first purchaser and subject to the stated conditions:

Warranty covers any defects in material or workmanship in the manufactured product within the first twelve months from date of purchase.

To make a warranty claim you must call Aquaport on toll free number 1300 764 325 for instructions.

Product will be repaired or replaced at our discretion. Repair or replacement costs will be covered under warranty by Aquaport.

Goods presented for repair may be replaced by refurbished goods of the same type rather than being replaced. Refurbished parts may be used for the repair of goods.

Warranty does not cover filter cartridge which is a consumable unless proven to have defects in material or workmanship in the manufactured product.

The benefits given to you by this warranty are in addition to other rights and remedies of the consumer law in relation to the goods or services to which this warranty relates.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonable foreseeable loss or damage.

You are also entitled to have the goods repaired or replaced if goods fail to acceptable quality and the failure does not amount to a major failure.

Conditions Of This Warranty:

1. This product has been fully installed in accordance with the user manual installation instructions.
2. The warranty extends only to repairing or replacing any component that proves to be defective in material or workmanship.
3. The warranty does not cover defects occasioned by misuse, alterations, accidents, or used for other than the intended purpose.
4. The warranty does not cover use of this product where water is microbiologically unsafe or of unknown quality, without adequate disinfection before or after the system.
5. The warranty does not cover damage to the product caused by accident, fire, or floods, power surges or blackouts.

Please keep purchase receipt in a safe place.

To enable us to register your warranty and provide service should a problem occur, we recommend you register your warranty online at: www.aquaport.com.au/warranty-and-registration
