## SAFETY PRECAUTIONS

Read all instructions carefully.

- All components need to be installed in accordance with the user manual instructions for correct performance of unit.
- This appliance should be used in conjunction with a safety switch.
- This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
- Keep the air outlet free from air blocking materials such as clothing, plastic bags or papers.
- Do not operate any appliance with a damaged cord or plug or after the appliance malfunctions, or has been damaged in any manner.
- If the supply cord is damaged, it must be replaced by the manufacturer, its service agent or similarly qualified persons in order to avoid a hazard.
- Children should be supervised to ensure that they do not play with the appliance.
- Do not use appliance for other than intended use.
- Ensure appliance is on a flat, even surface.
- Do not remove lid whilst unit is operating.

- To protect against fire, electric shock and personal injury, do not immerse cord, plugs, or appliance in water or other liquid.
- Unplug from outlet when not in use and before cleaning.
- Do not use outdoors.
- Do not place on or near a hot gas, electric burner, heating appliance or in a heated oven.
- Place unit in a flat well-ventilated location at least 30cm from wall or other Appliances.
- Do not immerse base in water or try to disassemble.
- Check voltage to be sure that the voltage indicated on the nameplate agrees with your voltage.
- Do not wash or reuse the filter.

## PRODUCT SPECIFICATIONS

### Air Purification Specifications

| System Specifications | Air Purification System  |
|-----------------------|--------------------------|
| Model                 | CLI-AP10W                |
| Product Dimensions    | L 200 x W 200 x H 180 mm |
| Net Weight            | 0.8 kgs                  |
| Coverage Area         | up to 10m <sup>2</sup>   |
| Replacement Filter    | CLI-AP10-RF              |

## OPERATION INSTRUCTIONS

1. Locate a flat stable location with close access to a power point. Make sure there is at least 30 cm between unit and wall or other appliances.
2. Connect one end of the USB cable into the AC adapter and the other end of the USB cable into the USB port at the back of the unit. The unit can also be powered by plugging it into a computer USB port.
3. Plug power adapter into appropriate electrical outlet.
4. Press power switch to turn on. The LED light will illuminate, the fan will start running and the unit will start purifying the air.
5. Press power switch again to turn off LED light and again to switch the unit off.

**AROMA:** To add fragrance, turn off unit and lift off the lid. Remove aroma cup and add 2-3 drops of aroma oil onto the sponge. (Fig 1)

**Warning:** It is recommended that asthma sufferers or those sensitive to fragrances should avoid adding aroma oils to the water as it may act as an irritant. Some fragrances may cause allergic responses in some people.

**CHANGE FILTER:** The filters used in this Cli~Mate air purifier are not designed to be cleaned, washed, or otherwise reused.

The lifespan and duration of the filter depends on the quality, surrounding environment and how often it is used. Regularly check the filter. If heavily soiled it should be replaced.

To replace the filter, turn off unit and disconnect the power. Lift off lid, remove old HEPA filter, discard and replace with new filter.

Cli~Mate Replacement Filter Product Code: CLI-AP10-RF.

**IMPORTANT:** Unplug unit from outlet before adding fragrance or changing the filter.

During the set up of this product if you have any questions / comments / issues DO NOT RETURN TO STORE FOR SERVICE AND TECHNICAL ADVICE ON THIS PRODUCT FREE CALL 1300 764 325.

## CLEANING AND MAINTENANCE

Before carrying out any maintenance or cleaning of the unit, make sure that the power to the unit is turned off and the power cord is removed from the unit and power socket.

### External cleaning of the unit:

- Do not clean unit with any abrasive cleaning agents or solvents.
- Do not apply any water directly to the unit of cleaning.
- Only use a soft clean cloth for all cleaning purposes.

### **Your Aquaport 12 Month Repair or Replacement Warranty**

Aquaport warrants this appliance to the first purchaser and subject to the stated conditions:

Warranty covers any defects in material or workmanship in the manufactured product within the first twelve months from the date of purchase.

To make a warranty claim you must call Aquaport on toll free number 1300 764 325 for instructions. If a product is found to be faulty there is a 90 day return policy from the date of purchase.

For warranty claims outside of 90 days from date of purchase, product will be repaired or replaced at our discretion. Repair or replacement costs of the product will be covered under warranty by Aquaport.

Goods presented for repair may be replaced by refurbished goods of the same type rather than being repaired. Refurbished parts may be used to repair the goods.

Warranty does not cover filter cartridge which is a consumable unless proven to have defects in material or workmanship in the manufactured product.

The benefits given to you by this warranty are in additions to other rights or remedies of the consumer law in relation to the goods or services to which this warranty relates.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage.

You are also entitled to have the goods repaired or replaced if goods fail to be of acceptable quality and the failure does not amount to a major failure.

### **Conditions of this Warranty:**

1. This product has been fully installed in accordance with the user manual installation instructions.
2. The warranty extends only to repairing or replacing any component that proves to be defective in material or workmanship.
3. The warranty does not cover defects occasioned by misuse, alterations, accidents, or used for other than the intended purpose.
4. The warranty does not cover damage to the product caused by accident, fire, or floods.
5. Proof of purchase is required for warranty claims.
